Soil-Bed	Portion of Bed	Type of Plant	Seedling or Seed?	Spacing in Row	Rows per Soil-Bed	Depth of Seed/Seedling (inches)

***Instructions:***

1. List the soil-bed (1, 2, 3...) where each crop will be planted.
2. Designate what portion (full,  $\frac{3}{4}$ ,  $\frac{2}{3}$ ,  $\frac{1}{2}$ ,  $\frac{1}{3}$ ,  $\frac{1}{4}$ ) of each bed will be planted in a crop.
3. List the type of plant, whether you will plant it as a seedling or seed, the row spacing, how many rows per bed, and the depth to plant the seed or seedling. (Refer to the Transplanting/Planting Guide, as needed, to complete your plan.)
